A custom Yardi Add-on by FitechGelb

Put us in your back pocket.

FitechGelb's Business Intelligence Consulting Services will expertly guide you in custom data warehouses, SharePoint management and Yardi's Orion offering. The Business Intelligence Consulting Service supports your business from start to finish and offers on-going support.

Customized, integrated SharePoint solutions.

- We offer customized integration with existing corporate SharePoint sites, portals or third-party SharePoint solutions.
- We custom design development solutions for SharePoint.
- We create development environments for testing, configuring and deployment of SharePoint.
- We offer SharePoint solution support and maintenance.

Give your business an edge.

With over 15 years experience with multiple database integration for reporting and business intelligence, we are your guide to making Yardi Voyager work for you.

Innovative.
Effective.
World-class.

We take you beyond
the buildings and into
the cloud.

Our Real Estate Consulting services provide you the valuable insights and data that guide your business decisions to a winning strategy. Find out how we can help you achieve your vision for your Real Estate business.
